SuperFinish SF23 Pro

HEA HIGH EFFICIENCY
AIRLESS

HEA Tip for high efficiency on broad surfaces. Ideal for interior repaint due to dramatically reduced overspray.

Fine Finish (310) Tip for gloss work.

Convenient suction system for direct feed on larger areas.

HEA HIGH EFFICIENCY
AIRLESS

2-IN-1

- Walls & Ceilings
- Large Areas

FINE FINISHING

- Woodwork
- Trims
- Small Areas

**INTRODUCTORY
\$370 ADDED VALUE
OFFER**

5 litre hopper for smaller areas or ideal for fine finishing and enamel work on trims.

A COMPLETE SPRAY SYSTEM

NEW

SuperFinish SF23 Pro

VERSATILE 2-IN-1 AIRLESS DIAPHRAGM SPRAYPACK

- The perfect all-rounder offering excellent value for money
- No pulsation for perfect results
- The addition of a 5ltr hopper makes this unit perfect for smaller airless applications, or it can be used for fine finishing work

THE LATEST ADDITION TO THE MOST RELIABLE DIAPHRAGM PUMP RANGE

Vector Pro Gun

A revolution in comfort and control. Light-weight trigger pull for less fatigue.

HEA HIGH EFFICIENCY AIRLESS

- Walls & Ceilings
- Large Areas

2-IN-1

FINE FINISHING

- Woodwork
- Trims
- Small Areas

5 litre hopper

Ideal for fine finishing work when using enamel on doors, window frames and skirting boards.

*20 litre hopper available as an additional accessory

Thermal overload protection

On/Off switch contains a thermal overload, which protects the electric motor in the event of low voltage supply.

HEA Pressure Gauge

Infinitely variable pressure regulation from 0 to 3600 PSI. HEA tips allow you to work in the low-pressure range (ideally at 1000 - 2000 psi) that is marked with green on the pressure gauge.

Foldable handle

Folds down for easy storage and transport.

Flexible suction hose

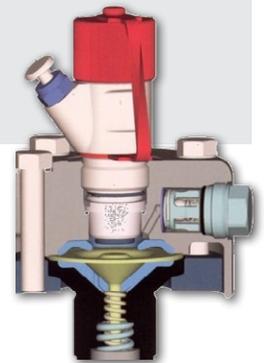

Comes with both 5L hopper and flexible suction hose, making it extremely versatile.

Innovative QLS technology

Quality Long Stroke with optimised hydraulics for high performance & longer service life.

Brushless motor

Requires no maintenance.

THE BENEFITS OF DIAPHRAGM PUMP TECHNOLOGY

Diaphragm pumps are a great choice when it comes to handling a wide variety of materials, from thin liquids to high-viscosity paints. QLS technology and low stroke frequency puts less stress on the components, significantly extending the service life of the pump and reducing maintenance costs. Valves are made of wear-resistant carbide and the diaphragm is made of solvent resistant polyamide. The SF23 Pro diaphragm pump has no noticeable pulsation, which when coupled with the hopper makes it ideal for fine finish work and small colour runs.

SF23 PRO INCLUSIONS

- SF23 Pro
- Flexible suction hose
- 5 litre hopper
- 15m airless hose
- HEA pressure gauge
- Vector Pro 4-finger airless gun
- 517 HEA Pro Tip
- 310 Fine Finish Tip
- Tool bag; incl. wrench 41mm/22mm/19mm and screw driver

TECHNICAL DATA

Motor Rating:	1.3 kW
Gun / Tip Included:	Vector Pro 4-finger gun 517 HEA Pro Tip 310 Fine Finish Tip
Hose Length:	15 m
Max. Operating Pressure:	3600 psi
Max. Flow Rate:	2.6 l/min
Weight:	27 kg
Part Number:	2395486H5
